

Minimise Noticeboard Messages

1 Click "Dashboard"

The screenshot displays the HFH Healthcare dashboard interface. At the top, a green header bar contains the text "HFH Healthcare" and a hamburger menu icon. Below the header, a user profile section shows a placeholder icon, the text "Hello, TEST", and a green dot indicating the user is "Online". A "MAIN NAVIGATION" sidebar on the left lists several menu items: "Dashboard" (highlighted with an orange circle), "General Message", "My Schedule", "My Timesheets", "My Letters", "Filing Cabinet", and "My Noticeboard". The main content area is titled "Dashboard" and features a "Noticeboard" section. The noticeboard contains the following text: "!!! I am looking for female day and night carers!!!", "Female client with dementia.", "Client postcode: UB9", and "If interested and available to start in **DECEMBER**, email me!". At the bottom of the noticeboard, the name "Sydney Hayden" and the title "Onboarding Coordinator" are listed.
